

# Computer GameXpo 2010

## Parental/Guardian Consent

The purpose of this Computer Game Expo and Tournament is to promote awareness and generally boost interest in the computer game industry. On May 1, 2010 we will be featuring open computer game tournaments. The games for the tournament will most likely be as follows: **Quake III Arena** game, **Starcraft**, **Heroes of Newerth** and **Guitar Hero**. Although all violence/gore settings will be set to the **minimum** possible during the tournament, the **Quake** game is ESRB rated **M for violence**. As such we require all participants between the ages of 14 and 17 inclusive to have their parents/guardians sign the following permission form. Please be advised that the games selected for tournament (as listed above) may change with minimal notice.

GPRC does not condone or promote violence. The tournament is intended to be a means to provide entertainment, show off gaming skills and encourage friendly competition between competitors.

During the Expo we will be taking pictures of the event, these photos may be used in the future by the college in reports or on a website highlighting the event. Signing this form gives the college the right to make use of these photographs.

**No children under the age of 14 will be permitted to compete.**
