
Arts and Education Orientation Information

Welcome to GPRC!

Our Orientation Session

We are having an orientation session on January 4, from 1:00-2:00pm. You can access the session over Zoom with this link: <https://gprc.zoom.us/j/93191490116>

We have also created a myClass/Brightspace course with introductory videos from our faculty, along with other information we think will be useful to start your studies with us. You should be able to self-enroll in the course here <https://myclass.gprc.ab.ca/d2l/home/8617>. You will need your GPRC account to log in to Brightspace.

What to Expect in the Winter 2020

Our classes start on January 5, so if you have a Tuesday class, that will be its first day.

Most Arts and Education courses in the winter term are being delivered remotely, except for Darlene Horseman's NT 1522 - Introductory Cree II and Dr. Bruce Galenza's PY 3120 - Research Design and Methodology in Psychology I.

Ahead of your first scheduled classes, be sure you access your Brightspace course for information from your instructor.

Our Department

Arts and Education incorporates the humanities, social sciences, and our education program. Here are our faculty by subject.

Our Programs

Arts and Education incorporates the humanities, social sciences, and our education program.

Most of our students are

- Starting their Bachelor of Arts degrees in one of our subjects to finish at one of Alberta's universities or another university out of province
- Starting their Bachelor of Education (Elementary) degree to finish in Grande Prairie through the University of Alberta Teacher Education North program or another university
- Starting their Bachelor of Education (Secondary) degree to finish at a university
- Starting their Bachelor of Social Work degree to finish in Grande Prairie through the University of Calgary or at another university
