1. Course Description

Course Code: AH446

Course Title: Procedural Review II

Hours: 12

Credits: 0.5

Calendar Description: All students will be given a review of the courses they have completed and shown how to apply the skills they have learned. Part of this course will cover preparation for the VTNE exam. Students will receive special presentations, guest speakers and discussion of cases or rounds on the clinic rotations when possible.

Prerequisites: “Students must complete and pass all Fall courses prior to beginning this course” 04/11

2. Major Topics

- A. Review as preparation on the VTNE exam
- B. Guest speakers (TBA)

3. Texts & References

References

- Tighe, Monica / Brown, Marg, *Mosby's Comprehensive Review for Veterinarian Technicians*, Mosby, St Louis, 2008
- Colville, Thomas, *Review Questions & Answers for Veterinary Technicians*, Mosby, St Louis, 2003
- All applicable resources from the various courses

4. Student Evaluation

A passing grade in this course is a minimum of 60%. Also a minimum of 60% is required on the final exam. If this is not accomplished an additional test with open book will be held where a 100% will have to be attained.

Mark Distribution

A. Quizzes	40%
B. Guest Speakers	10%
C. Final Exam	50%
	100%

5. Delivery Method

Multiple choice quizzes and guest speakers

6. Student Equipment & Supplies

- Non-programmable calculator

7. Student Responsibilities

Enrolment at GPRC assumes that the student will become a responsible citizen of the College. As such, each student will display a positive work ethic, take pride in and assist in the

maintenance and preservation of College property, and assume responsibility for his/her education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting instructor expectations concerning attendance, assignments, deadlines, and appointments.

8. Learning Outcome Guides

A. Review as preparation on the VTNE exam

Upon successful completion of this Learning Outcome Guide, you will be able to demonstrate adequate knowledge of different course subjects contributing to the VTNE Examination

1. Demonstrate adequate knowledge of Pharmacology and Pharmacy in a multiple choice exam setting
2. Demonstrate adequate knowledge of surgical preparations and assisting in a multiple choice exam setting
3. demonstrate adequate knowledge of different lab procedures in a multiple choice exam setting
4. Demonstrate adequate knowledge of animal nursing in a multiple choice exam setting
5. Demonstrate adequate knowledge of diagnostic imaging (Radiology and Ultrasound) in a multiple choice exam setting
6. Demonstrate adequate knowledge of anesthesia in a multiple choice exam setting
7. Demonstrate adequate knowledge of office and hospital procedures in a multiple choice exam setting

B. Guest speakers (TBA)

Upon successful completion of this Learning Outcome Guide, you will be able to summarize the ideas presented by different guest speakers on topics related to AHT work or career

1. Show openness towards the ideas presented by different

guest speakers linked to this course.

2. Show the ability to take away the important points made by different guest speakers linked to this course

9. Additional Information

Attendance is mandatory. Being absent or late by more than 10 minutes without a valid reason will result in an incident report.

A valid reason requires prior notification of the instructor and acceptable third party written notification (doctor's note, etc.) There will be a zero tolerance for anybody showing up in lectures or guest speaker presentations under the influence of alcohol or other medications which may cause physical impairment or disruptive behavior. The student will be considered as being absent without a valid reason. Disruptive behavior will result in an incident report.

Incident reports: a first incident report results in a 5% overall reduction of the course marks, a second incident report results in an additional 10% reduction of overall marks, and a third incident will result in an incomplete for the course.

*overall grade point average has to be 2.0 or higher to be successful in the AHT program.
