STUDIO PROCEDURES

Students are expected to set up work prior to class commencing, so that lectures and demonstrations can proceed uninterrupted. These will not be repeated for latecomers. Many students will be using the studio, so it is important to maintain care in setting up and cleaning of the space you use, and to exhibit consideration towards workspace, materials and other students.

If there is any doubt as to the safety of the work being undertaken while the instructor is absent the students will consult with the technician before continuing the work.
