#### Course Policies:

Writing is a process. Most writing assignments will involve multiple drafts to enable students to generate accurate, concise, well-written material.

All assignments must by word-processed or typewritten.

Students are required to save computer drafts of each written assignment as a separate computer file. For each assignment, students are required to submit the final, revised work as well as the draft(s). It is particularly important to save a copy of any written work handed in for credit or grading.

Assignments are due on the dates set by the instructor. If there is a valid reason for an extension, it must be requested prior to the due date. Unauthorized late assignments will have a 10%-per-day late penalty applied to the assigned grade.

Regular attendance is critical to success in BA 1010. Should a student be unable to attend a class, it is the student's responsibility to acquire the material missed and to complete the assigned readings, in-class work, and assigned homework.

If a student is unable to attend an in-class test or quiz, the instructor must be advised before the test/quiz is administered. Voice mail or e-mail notification is fine. The test/quiz will usually then be written in the next scheduled lesson. Failure to notify the instructor of an absence will result in a grade of 0.

It is expected that assignments will be handed in during the lesson. If a student does not hand in an assignment when it is due, the procedure is as follows:

- 1. Advise the instructor that the assignment has not been submitted and confirm the date it will be submitted.
- 2. When the assignment is completed, keep a digital or hard copy of it.
- 3. Deliver the assignment to the Cashier's Office where it will be placed in the instructor's mailbox.
- 4. Confirm with the instructor the receipt of the assignment.
