- **Good attendance is a requirement of this course and of academic success generally.** Students who miss more than 10 days of class may be disbarred from writing the final exam.
- **Good attendance means more than simply being present physically during class time.** It means coming to class prepared, having read the assigned material(s) for the day, and showing respect to all the other members of the class by being attentive. Disruptive activities – for instance, habitually arriving late or leaving early– will not be tolerated and may result in your removal from class.
- **Unless there is a significant emergency or reason, students should avoid making travel plans that conflict with the class schedule during the semester.**

- **Students are required to check the My-Class site for this course regularly.** Students should check it before each class to stay informed concerning course updates, readings, and announcements. - **Late assignments will be penalized 2% per day.** Last-minute requests for extensions will not be granted unless medical/or other professional documentation can be provided. Please note that I will not accept any late assignments after I have handed back marked assignments to the class (Turnaround time for marked assignments is usually about one week- two weeks).
- **All formal assignments are to be submitted via My-Class or as hard copies.**
- **If an emergency prevents attendance on a test day, students must contact me before the end of the test (as soon as possible) via email** and may be asked to provide documentation to justify their absence.
