Student Responsibilities:

Attendance and Participation:

1. Regular attendance to classes is essential. Your attendance, punctuality, preparedness, and active participation will affect your learning and contribute to your grades. Students who miss classes during a term jeopardize their chance to succeed in the course. They also lose attendance and participation marks.
2. When a form of testing and / or any other evaluation has been scheduled, any student who misses class on this day and does not have a valid excuse will receive a zero, even though s/he might have been absent the day it was announced. Students have the responsibility to know what material has been covered and assigned for the next class.

Evaluation:
Regular self and instructor administrated evaluation is the key to progress and achieving goals. Testing is varied.
