**STUDENT RESPONSIBILITIES:**

**Attendance and Participation:**

Your attendance, punctuality, participation, and contribution to creating a positive interactive learning environment will positively affect your learning and contribute to good grades. Participation and attendance are worth **10%**. Students earn **8%** of this percentage through regular attendance, class participation, and contribution to a positive interactive learning environment. The remaining **2%** of the attendance/participation mark is earned by attending at least **2** GPRC French Club cultural activities (French movie nights, the French Tutor Centre, and other cultural events). The French Club cultural activities schedule will be communicated to you early in the term.

**Homework and Assignments:** Students have the responsibility to know what material has been covered and any work assigned for the next class. Assignments are due on the due date at the beginning of class unless prior arrangements have been made with the professor. **Assignments must be: titled by number, dated, with name, double-spaced and typed.** The use of online translators such as Google Translate and Reverso are a very inaccurate as well as an unacceptable tool when used to translate pieces of text larger than single words or expressions and should be avoided.

**Absence:** In the case of unavoidable absence, please notify the instructor. Assignments and quiz cannot be made up, but in the case of a verifiable medical emergency with an official doctor’s note, may possibly be excused.

**Respect:** Out of courtesy and respect for all class members, students may only access cell phones outside of class time.

**STATEMENT ON PLAGIARISM AND CHEATING:**

Cheating and plagiarism will not be tolerated and there will be penalties. For a more precise definition of plagiarism and its consequences, refer to the Student Conduct section of the College Admission Guide at [http://www.gprc.ab.ca/programs/calendar/](http://www.gprc.ab.ca/programs/calendar/)

**Note: all Academic and Administrative policies are available on the same page.**

Instructors reserve the right to use electronic plagiarism detection services on written assignments. Instructors also reserve the right to ban the use of any form of electronics (cell phones, Blackberries, iPods, tablets, scanning pens, electronic dictionaries, etc.) during class and during exams.
