## **Description:**

Students will build on essential word processing skills and reinforce communication, keyboarding and Internet skills while using core to expert level Microsoft Word skills by preparing professional documents for simulated companies.

## **Course Policy**

- To gain a real understanding of the software, complete all chapter exercises NOT just the assigned work. You can check your work at the student resource center [www.emcp.net/SignatureWord07Vista](http://www.emcp.net/SignatureWord07Vista) **Computer Lab** Exercise Model Answers.
- Students are encouraged to access the resource center and view the PowerPoint tutorials for each chapter [www.emcp.net/SignatureWord07Vista](http://www.emcp.net/SignatureWord07Vista) **Lecture Hall** PowerPoint Presentations
- Assignments are due on the dates set by instructor. Late assignments not accepted.
- Assignments are to be submitted in print or electronic copy (using the digital drop box) by the deadline date. Please check schedule as some assignments will require Print Screens to be sent.
- Redo's are encouraged. Assignments will be graded within 24 hours and students are encouraged to edit their work and resubmit it for full marks. All work will be marked within 24 hours and all re-submitted work (redo's) is due Monday's by 3 p.m.
- Examination materials will be made available on Black Board on the dates and times specified on the grade sheet. If this time is unacceptable, contact your instructor to set-up an alternate time. No make ups for missed exams.
- Examination work can be submitted as a hard copy or electronically through the digital drop box in Black Board.
- The final examination will be a 10 hour practical exam. The exam will run in six 1.5 hour slots as scheduled during the final week of class and into the final exam week. Examination materials will be made available on Black Board during the scheduled examination time.

- Marks sheet will be maintained by the instructor and forwarded to students as attachments with updates as work is completed.

**Grading Criteria:**

Assignments are graded out of a possible mark of 10. 3 marks are deducted for each format, spelling, punctuation or other error.

Assignments	40%
Timed In-Class Production Work <sup>1</sup>	20%
Production Final	40%

\*Note: The final production test must be completed in the final week of class during the assigned times for total of 8 hours. Completed components are e-mailed to sbarr@gprc.ab.ca at the end of each exam time. There are no extensions for this exam. All course work must be completed in order to qualify to take the final exam. In lieu of the final exam, successful completion of the MOS Exam = A+ exam grade will be assessed. There is a cost component to the MOS Test and tests must be booked after the last assignment is completed. All tests can be booked with Grace Walton [gwalton@gprc.ab.ca](mailto:gwalton@gprc.ab.ca) and payment is due prior to writing the exam. MOS exams are 45 minutes in length and students will receive MOS Certificate from Microsoft which is a globally recognized certification. This test is only available on-site at the GPRC campus unless a MOS Testing Centre is located in your local area. Therefore, if distance students wish to select this option for their final exam appointment, special on-site arrangements can be made with your instructor for the practice test and on-site test

---

<sup>1</sup> Timed production work will be scheduled throughout this course without notice. Timed production assignments will be given for completion within the first 15 – 20 minutes of class. They will consist of letters and memos and will have cover request forms included.

Grades will be assigned on the Letter Grading System.
