September 1, 2009 – October 30, 2009
January 4, 2010– March 5, 2010
Online

Instructor(s): Sue Styles RN BN CPN(C)
Marie Wakaluk-Janz RN BScN CPN(C)

1. Course Description:

This course is the first step to becoming a beginning/novice perioperative nurse. The knowledge, principles and practices of perioperative nursing are addressed in detail as they relate to the competencies identified for perioperative nursing by the Operating Room Nurses Association of Canada.

2. Admission requirements:

- Current CARNA Registration (submit registration card as proof).
- Official transcripts from your basic nursing program.
- At least one year full-time experience in nursing practice. (Submit letter from current supervisor verifying at least one year experience). Or permission from the Chair of the Department of Nursing Education.
- Current certification in C.P.R.
- Current immunization for Hepatitis B.

3. The Course in Perspective:

This course is the first in a series of four courses designed to prepare the registered nurse to have the knowledge, clinical accountability and responsibility to be a competent perioperative nurse at the beginning/novice level.

Module #1 -Practices Professionally

Module #2- Provides Physical Patient care

-circulating role

-scrub role

Module #3 -Provides Supportive Care
