**OBJECTIVES:** Is a greater role for the private sector the solution to problems facing Canada's health care system? What should be done to prevent catastrophic consequences of global warming? What role do Western sellers and consumers of cotton, coffee, and chocolate play in

producing poverty elsewhere? How is the political personal? These are some of the political issues which we will examine in this course.

In addition, we will also consider some key political concepts and themes which remain important as issues change. These include basic ideologies, individual liberty, rights, and democracy. My objective is:

- To provide you with a basic political vocabulary of concepts and ideas which will enable an understanding of contemporary issues facing local, national, and global societies.
- To examine different political issues carefully, by looking at the nature of the issues and opposing points of view.

- Political Values Paper..... 10%
- 2 Position Papers ..... 15% x 2

- Final exam ..... 30%

*Evaluation Structure II*

- Final exam..... 35%

**Participation:** You will be required to complete 5 in-class quizzes or take-home assignments at random throughout the semester. Each assignment will be worth 2% the participation grade.

**Political Values Paper:**

This assignment is designed to get students acquainted with their inner political values. Some of you may have thought about where you stand on the political spectrum. You may think of yourself as left-wing or right-wing, or identify with the political party that most closely approximates where you stand. Others may be much less acquainted with where they stand politically and this assignment may help shed some light for these students.

This assignment is designed to help you determine where you stand on the political spectrum.

1. Write a 1 – 2 page summary of what your political values are.
2. Complete the political values test at found at [www.politicalcompass.org](http://www.politicalcompass.org), and print off the chart offered at the end
3. Write brief 1 – 2 page reflection on the assignment and whether your position on the political spectrum was where you thought it would be.

This assignment is **due on Thurs., Jan 12** in class.

**Position Papers:** You will write a minimum of two papers focusing on a debate theme that you have selected. These should be approximately 6 – 8 pages in length, but remember the key is to have made a good argument, not hit a certain length. I suggest using a theme which we have discussed in class, but others are acceptable as long as they are cleared with me.

This paper will require you to summarize the issues under discussion, explicate the various positions on these issues, and offer your own perspective and recommendations. While we may have discussed these issues in class, this is NOT a summary of class discussions – I expect you to examine the issues in greater depth, and look at sources beyond those used in class. I will be distributing a handout with more information on this paper in class.

**STUDENT RESPONSIBILITIES:**

Full participation in class will require demonstration that you have completed the assigned readings, as well as an active role in group work and class discussions.

**Punctual submission of assignments:**

- Assignments will be submitted on paper in class, and electronically by 5 p.m. on the due date. Paper copies are easier for me to read, and allow me to provide you with notes on specific elements of your assignment. Electronic copies provide me with the option of submission to an online plagiarism detection service in the case that plagiarism is suspected.

PLEASE ENSURE THAT THE COPY WHICH IS SUBMITTED ELECTRONICALLY MATCHES THE PAPER COPY RECEIVED IN CLASS.

- Late assignments will be docked 3% (i.e. an A becomes an A-) for each day they are late. If extenuating circumstances necessitate an extension on an assignment, you are required to speak with me AHEAD OF TIME, and appropriate paperwork (i.e. a medical note) may be required. Also, please note that you are required to write the final exam on the date scheduled by the College. You should take this into account when making any travel plans.

### **Classroom Conduct:**

GPRC has committed to promote an environment free of harassment or discrimination where respect will be given to ethnic, cultural, religious, and lifestyle diversity, and expects individuals will conduct themselves with respect for one another. This means your behavior should exhibit respect for yourselves, each other, the instructor, and the course material. As such:

- Students are expected to arrive to class on time and prepared.
- Laptops and cellphones are permitted in class, with a few caveats.
  - Cellphones should be on silent or vibrate mode, and I expect you wait to check calls or messages until after class. If an emergency requires otherwise, I expect you to advise me at the beginning of class.
  - Laptops are to be used for class work ONLY. Students carrying out other activities will be asked to leave their laptops at home.
- Working on assignments for other courses is not permitted. Students doing so will be asked to leave the class.
- I encourage an atmosphere of positive and constructive debate. Expressing criticism or annoyance with a view expressed by another person, either through a comment, audible noise, facial expression or body language, is not acceptable, unless you are prepared to debate your position openly & respectfully in class.
- Regular attendance. If you know you are going to be absent from class, I expect you to contact me prior to class with a reason. Students who miss more than 1/3 of classes (9 or more) may be denied the opportunity to write the final exam, as stated in GPRC's Examination Policy ([www.gprc.ab.ca/about/administration/policies/](http://www.gprc.ab.ca/about/administration/policies/)).

For information on key dates and other important matters, please refer to the GPRC Calendar, available [www.gprc.ab.ca/programs/calendar/](http://www.gprc.ab.ca/programs/calendar/).

### **STATEMENT ON PLAGIARISM AND CHEATING:**

Plagiarism and/or cheating can result in serious consequences (i.e. a grade of zero on an assignment, loss of credit with a notation on the transcript (notation reads: A Grade of F assigned

for academic dishonesty) and/or suspension or expulsion from the College). If I suspect plagiarism on assignments, I reserve the right to submit these to an online plagiarism detection service, as specified in Section 1.4 of the GPRC Policy on Student Misconduct: Plagiarism and Cheating ([www.gprc.ab.ca/about/administration/policies/](http://www.gprc.ab.ca/about/administration/policies/)).

It is your responsibility to ensure that you fully understand what constitutes plagiarism and/or cheating. If you have any question as to what these acts involve, please refer to the Student Conduct section of the College Admission Guide at <http://www.gprc.ab.ca/programs/calendar/> or the College Policy on Student Misconduct: Plagiarism and Cheating at [www.gprc.ab.ca/about/administration/policies/](http://www.gprc.ab.ca/about/administration/policies/).
