STUDENT RESPONSIBILITIES:

The assigned readings and exercises for each class should be completed before attending that class, except for the first class. As this course depends heavily on discussion and at times exercises and illustrations, attendance at all sessions is required and is critical to the student's success in the course. In case of illness or emergency, notify the instructor as soon as possible. If you find yourself having difficulty in this course, please contact the instructor immediately for assistance. If you simply want more discussion with the instructor about any aspect of the course, please visit my office during office hours or at a more convenient pre-arranged time.

If a student foresees that he/she will be unable to write a test or exam at a scheduled time due to illness or emergency, he/she should notify the instructor immediately, preferably one day in

advance. A message may be left on the instructor's voice mail (780-539-2061) or e-mail (aalasadi@gprc.ab.ca) together with a phone number where the student may be reached to arrange for an alternative date to write the test, if feasible. Failure to notify the instructor will result in a grade of zero for the test that was missed, unless proof is presented that the student was physically or mentally unable to do so due to a sudden illness or emergency or to unavoidable circumstances beyond the student's control.

It is expected that all students will display a professional attitude and behaviour in the classroom. This includes reliability, respect for and cooperation with your fellow students and the instructor, attention to fellow student questions and instructor's response, determination to achieve first-class work while meeting deadlines, and constructive response to criticism.
