STUDENT EXPECTATIONS/RESPONSIBILITIES:

Student Conduct

It is expected that all students will display a respectful attitude and respectful behaviour in the classroom. Cellphone usage/texting during class time is PROHIBITED. LEAVE YOUR CELLPHONE IN YOUR BAG. NO EXCEPTIONS. Texting and talking on the phone during class time is not only distracting to you and others, it is disrespectful.....period. You may have your phone removed for the duration of the class if it is determined that you find this expectation challenging.

Other expectations include coming to class on time and leaving without disruption to others. Finally, it is expected that that students will avoid behaviors such as talking while the instructor or fellow students are discussing course-related topics, using foul language, making rude and destructive comments, reading the newspaper, putting feet up on the desk, etc. Students unable to meet these expectations will be required to leave the class in the interest of preserving the learning opportunities of other students.

Lecture Attendance/Absences

Students are held accountable for all lecture materials and readings. It is your responsibility to keep up with class work. Therefore, you are expected to attend all lectures. Attendance will be taken every class.

If you are absent from a class, all missed material is to be obtained by approaching a fellow student, not the instructor. It would be very unfair for students who miss lectures to be advantaged by getting the instructor's notes. Typically, the quality of note-taking by students is quite variable. Therefore, if you miss a lecture and need to rely on another student as a source for the missed lecture material, it is advised that you **pick your sources very carefully.**

If you are missing a class for excusable reasons (e.g., illness, appointment) and wish to avoid having your attendance/participation grade from being docked, please email me at ckorpan@gprc.ab.ca. **Write "Absence from PY1050 Class" in the subject box.** Provide the explanation for your absence in your email. Please be aware that I may ask for documentation.

Other Responsibilities

You are also expected to prepare for each lecture by reading the assigned chapters and handouts. Students who prepare for lectures learn and perform much better than students who do not prepare.

Although the instructor feels that all the material in the text book is important and interesting, **limited class time prevents discussion of all the material covered in the text.**

You are responsible for learning textbook material that is not discussed in class. Please feel free to approach me outside of class if you wish to get clarification on this material.

Missed Quizzes/Exams

Dates for the quizzes and midterm are included on this course outline. **Quizzes that are missed for any reason will not be rescheduled.** If a student misses a quiz due to **verified** illness, dentistry, accident, emergency, or GPRC obligations (e.g., you are away due to the requirements of another course) the **weight of the quiz will be transferred to the final exam.** If a student misses a quiz for reasons that do not include verified illness, dentistry, accident, or emergency, then a "0" (zero) will be assigned to that quiz. Holidays, employment, etc. are not considered to be excusable reasons to miss any exam in this course. Missing any quiz without explanation from the student will result in a "0" on that quiz.

According to GPRC policy, deferring a missed **Midterm Exam** is at the discretion of the instructor. In my courses, students who miss a midterm because of illness, dentistry, accident, or emergency (verified) may write the midterm at a later date (set by me—I will chose a date that is mutually convenient). When students miss the midterm for reasons that do not include verified illness, dentistry, accident, or emergency, a "0" is assigned to that the midterm. Students who miss the midterm without explanation will receive a "0" on the midterm.

Absences from a registrar-scheduled **Final Exam** fall under GPRC Examination Policy. It is the responsibility of the student to be informed about these policies prior to the final examination period. A description of the policy is available at <https://www.gprc.ab.ca/programs/viewcatalog.1.3.621.html> or pages 41 and 42 of the college calendar. Just to remind you, **final exams begin December 12 and end December 21. Activities such as holidays or employment during this period are not considered excusable reasons for missing the final. Students who chose to miss the final exam for employment, holiday, or similar reasons will receive a "0" on the final exam. Also note that the final exam will not be scheduled early for students who plan their holidays or other activities during the final exam period.**

If the final exam is missed due to illness, you will be required to submit an application to the Registrar's office for permission to write a deferred exam and must do so within 48 hours of the scheduled exam time. You may defer the final exam for up to 20 days of the end of the examination period. **You will be required to provide documentation for your illness.** (Please see the College Calendar)
