If a student has a valid reason for being unable to attend an exam, the instructor must be advised via email before the exam is administered. Failure to notify the instructor of an absence and/or lack of a valid reason will result in a grade of 0 with no option to write a deferred exam or make up assignment. Permission to grant a deferred exam is at the discretion of the instructor and is contingent on a valid reason. Multiple requests for deferred exams or assignments are not typically granted irrespective of reason(s). Deferred exams are written in the testing center A205. Once permission from the instructor has been granted, contact Natasha Hipkiss at NHipkiss@gprc.ab.ca or 780 539 2954 to schedule the exam and then advise the instructor via email of the day and time well ahead of time.

Exams can consist of multiple-choice, short and long answer questions. Students are not permitted to leave the exam room once the exam has started until the exam has been completed and turned in. All electronic devices are prohibited from use at any time during class and especially during exams. This includes I-pods and cell phones. The instructor reserves the right to confiscate and keep any cell phone that rings during class time.

All exam marks are final. This means you cannot rewrite an exam because of a poor grade and there are no written assignments to make up for a poor exam grade.

ASSIGNMENTS:

All take home assignments must be word-processed. It is important to save a copy of any written work handed in for credit or grading. Details on the take home assignments will be given to you on a separate handout at the beginning of the term.

Assignments are due on the dates set by the instructor at the beginning of class. Unauthorized late assignments will have a 5% per day late penalty applied to the assigned grade (including weekend days). If there is a valid reason for an extension, it must be requested prior to the due date although students should be advised that extensions are rarely granted in lieu of the late penalty.

If a student does not hand in an assignment when it is due, the procedure is as follows:

1. Advise the instructor via email that the assignment has not been submitted and confirm the date it will be submitted.
2. Deliver the assignment directly to the instructor or to the Cashier's Office where it will be placed in the instructor's mailbox.
3. Confirm with the instructor the receipt of the assignment. The assignment will be considered submitted the day the instructor receives or picks up the assignment not the day it is placed in the mailbox.

In class activities are short in-class assignments pertaining to that day's chapter discussion. Most classes will have some sort of assignment that must be handed in during that class. Failure to be in class and not handing in an assignment will result in a grade of 0 with no opportunity for a make-up assignment. The exception to this is if you have an excused absence for a valid reason in advance of class time. Please do this via email and be sure to specify exactly which course you are in (i.e., PY 2750 section A2). In these cases you will not get a makeup assignment but neither will you be docked marks for noncompliance. These assignments will range from a written response to a question, group activity/experiment, worksheets, summary of films/chapter material, pop quiz etc. Grading for these assignments will be: 0 if not submitted or an obvious lack of effort, 1 for adequate but many errors/lack of understanding and 2 for good effort with minimal errors. Your full name (first and last) must be on all submitted assignments or marks will be docked during grading.

STUDENT RESPONSIBILITIES:

Regular attendance is critical to success in this course. Should a student be unable to attend a class, it is the student's responsibility to acquire the missed material and to complete the assigned readings. The instructor does not lend out lecture notes. If you are unwell, please do stay home until you are feeling better. However, be advised that the instructor reserves the right to bar you from writing the final exam if you accumulate more than 10% of unexcused absences.

Learning is an active process that will take effort on your part. Students are expected to read the chapters in advance of lectures, participate in activities and discussions in the classroom, and communicate with the instructor when difficulties are encountered with the course material. Students are responsible for learning all of the assigned chapters, even if all the material has not been covered in lecture, as well as any other topic or video covered during class time.

Students are expected to display a professional attitude and behavior in the classroom including academic honesty, respect for and cooperation with your colleagues and the instructor,

attention to colleague's questions and the instructor's response, and a determination to meet deadlines. Students who are unable to meet these expectations will be required to leave the class in the interest of preserving the learning environment for the other students.

If you have a disability, please self-identify to the instructor if you require any specialized supports.

Please be sure to familiarize yourself with moodle as all communication with students outside of class and office hours will be done via email to your gprc email account. Be sure to check your college email often. Please also be sure to specify exactly which course you are in when contacting the instructor.

STATEMENT ON PLAGIARISM AND CHEATING:

Please refer to <http://www.gprc.ab.ca/about/administration/policies/> to see the college policies regarding plagiarism, cheating and the resultant penalties. There are serious issues and will be dealt with severely. The instructor reserves the right to use electronic plagiarism detection services.
