

GPRC Continuing Education Courses for Dual Credit			
GPRC Course	High School Credits	Pre/Co Requisites	Notes
CON01 Confined Space Awareness/Rescue	LDC 3123*	HCS3000 and HCS3010 Minimum age requirement of 16	Students may be responsible for a portion of the fees. Schools have the option to pay only the tuition portion or both tuition and fees, check with your school representative. Students must present government issued photo ID at the start of each course. All courses except WHMIS and TDG are regularly scheduled at GPRC (in Grande Prairie). Please visit https://www.gprc.ab.ca/ce/ for course availability. WHMIS and TDG are available online through SafetyNET or in class by request. If a school has a group interested in a course, an instructor can teach at the school (including WHMIS and TDG). Minimum registration numbers will increase if you're located outside of Grande Prairie. Confined Space must be completed in Grande Prairie for students to receive both the theory and practical portion of the certificate unless a proper facility is available for students.
DTK01 Detection and Control of Flammable Substances (ENFORM)		HCS3000 and HCS3010 Minimum age requirement of 16	
FLP01 Fall Protection		HCS3000 and HCS3010 Minimum age requirement of 16	
GDS01 Ground Disturbance Supervisor (Level 1 and 2)		HCS3000 and HCS3010 Minimum age requirement of 16	
H2S01 H2S Alive (ENFORM)		HCS3000 and HCS3010 Minimum age requirement of 16	
Transportation of Dangerous Goods (TDG)		HCS3000 and HCS3010	
WHMIS		HCS3000 and HCS3010	
CSTS		HCS3000 and HCS3010	

* All 8 courses must be completed to receive high school credit. Courses can be completed through GPRC or a combination of online training through Safety in Schools and GPRC. Courses completed through GPRC will give students industry level certification to be ready to enter the workforce.
